Target Card Screen

Available Features

- » **Single Target Screen** – Displays accurate firing solution along with target and environmental details.
- » **Custom Target Card Screen** – View up to 10 targets without ever breaking out of the scope.
- » **Large Font Option** – Experience better visibility with this enlarged, clear, easy-to-read screen.
- » **Stage Timer and Round Counter** – Knowing your progress through a stage lets you make better decisions and hit more targets.
- » **Remote Switch** – Switch between targets and send target data to your Kestrel without changing your shooting position.
- » **Live Updates** – Target screens display live updates from Kestrel readings for the most relevant, valuable ballistic data.
- » **DOPE Card Screen** – Eliminates the need for sleeves, providing convenient eye-level access to targeting data.
